Criterion 5- Student Support and Progression

5.1.2 Capacity building and skills enhancement initiatives taken by the institution include the following: ICT/computing skills

1. Introduction:

The Institute grooms students by giving proper training apart from the regular curriculum for improving their Soft skills, Aptitude & Technical Skills. Institute has a Training and Placement Cell which counsels the students and gives them information about employment/placements. The institute also organizes various seminars, workshops and guest lectures for the students by experts to enhance their technical Skills. Open source simulation software along with the Internet facility and Wi-Fi connectivity in campus facilitates the students in overall skill development. The institute has conducted Spoken Tutorial sessions and virtual lab practical in association with IITB to enhance the technical skills of the students. It has the facility to watch the MOOCs through Swayam, NPTEL, Coursera, etc. and also offers the skill development courses approved by AICTE.
