## 1. Introduction

At the institute, students have the opportunity to showcase their skills and talents in a variety of sports and cultural competitions, at the university, state, and national levels. We believe in promoting cultural diversity, and cultural programs are organized to provide a platform for expression. Students are also encouraged to participate in sports activities both on and off-campus, with the institute organizing various sports and cultural events such as the Rainbow, Annual Sports Day-Smash, and College Magazine. The necessary facilities and support are provided to facilitate these extracurricular activities, and the sports and cultural committees work to coordinate and arrange them.
