

Department of Mechanical Engineering – Proud Moment!

We are proud to share that **Ms. Varsha Manthalkar**, Captain of **Team Pushpak** and a dedicated student of Mechanical Engineering **NKOCET, Solapur**, has successfully completed the **Drone Pilot License** course from **Drone Acharya Aerial Innovations Limited**, approved by the **Directorate General of Civil Aviation (DGCA), Government of India**.

This accomplishment reflects her commitment to advancing UAV technology and contributing meaningfully to the field of drone innovation. She shares this milestone with her colleague **Mr. Rishikesh Marathe**, and credits the guidance of her mentors **Ms. Ananya Tewari**, **Mr. Shubham Yadav**, and **Mr. Onkar Barge** for their invaluable support throughout the course.

A special note of appreciation goes to **Dr. Shrinivas Metan Sir** for his continuous encouragement and mentorship during this journey.

NKOCET congratulates Ms. Varsha on this achievement and looks forward to her continued contributions to **Team Pushpak** and the world of **aerial and autonomous systems**.
