### ASHRAE CRC Conference Outcome

Prof. D.D. Bhoge had attended the ASHRAE Chapter Regional Conference (CRC) from 29<sup>th</sup> Aug to 1<sup>st</sup> Sep. 2025 and was a valuable experience where he learned about the latest developments in HVAC&R, energy efficiency, and sustainable building practices through technical sessions and knowledge-sharing forums.

The conference not only enhanced my understanding of ASHRAE's strategic goals and chapter development activities but also gave me exposure to leadership practices and innovative ideas being implemented by other chapters.
