

AWIM Report 2025-26

N.K. Orchid College of Engineering and Technology Solapur

Introduction:

This is regarding our continued efforts towards SAEINDIA's school education initiative called AWIM.

AWIM: *A World in Motion* curriculum joins together school teachers, students and industry volunteers in an exploration of physical science while addressing essential mathematic and scientific concepts & skills of the secondary school students. Interested school has to sign a "Statement of Partnership" form at no cost. This can be emailed or posted to us with the school seal. The student form to be filled by the parents can be sent later on. This is necessary to initiate AWIM activity in your school.

AWIM activity is designed around Science, Technology, Engineering and Math (STEM) principle incorporating the laws of physics, motion, flight and electronics. For more details, please visit www.awim.org

From 2015, we have been conducting AWIM events successfully. ARAI is promoting SAEINDIA AWIM with sponsorship of Mahindra for Solapur.

We request nominations from 5th and 6th standard science and art teachers from your school for AWIM Master Teachers Training Program (MTTP) conducted on 16th Jan 2026 at 9am to 5.00pm at N.K. Orchid Collegel Solapur.

The nominated teachers would co-ordinate with volunteers to take this initiative forward and train the school children followed by intra-school level competition. The winning team from school will participate in AWIM Solapur Olympics scheduled in the month of October and the winning team from there would further participate in AWIM National Olympics 2022 scheduled in the month of December. The winning Team of Jet-Toy from the National Olympics would receive cash prizes and trophy.

Master Teachers Training Program (MTTP)

NKOCET and SAEINDIA Western n Section has arranged One Day Workshop on "Master Teachers Training Program" on 16/1/2026, for school teachers and Student volunteers.

Prof. D. D. Bhoge had trained the School teachers and volunteers in Jet toy and Skimmer competition. Total 9 Schools and 15 teachers and 15 volunteers attended the workshop. Prof. D. D. Bhoge worked as a Coordinator for the Workshop.
